

Aladdin

C.F.E. HORNEMAN

Aladdin's story, taken from the Arabian One Thousand and One Nights, has been told many times and in many different ways. This operatic version by the Danish composer, C.F.E. Horneman, dates from the turn of the 19th to the 20th century and has the lush harmonies and flowing melodies you might expect from a piece of its time. Horneman adds new lustre to the old fairy tale about Aladdin and Princess Gulnare as they escape the forces of nocturnal magic and pursue happiness.
