

RICHARD WAGNER (1813–1883)

Die Walküre

Christian Thielemann, "by common consent the leading Wagner conductor of our time" (*Die Presse*), returns to Bayreuth for this radiant account of *Die Walküre* filmed at the 2010 Festival. Appearing on DVD and Blu-ray for the first time, it provides the only audio-visual document of Tankred Dorst's *Ring* production, and follows the hugely successful release of the whole cycle on CD. Two new singers join the cast: Johan Botha as Siegmund, who was showered with praise by the press ("ideal vocal casting" in the words of the critic on the *Frankfurter Allgemeine Zeitung*) and Edith Haller, with her "beautiful, strong soprano voice" (*Süddeutsche Zeitung*) as his sister and lover Sieglinde.

Sung in German with English, French, German and Spanish subtitles
