GIOACHINO ROSSINI 1792-1868

# LA SCALA DI SETA

Rossini's sparkling *La scala di seta* of 1812 weaves a burlesque tale of gentlemen climbing in and out of a lady's bedchamber on a silken ladder. Damiano Michieletto's modern-day production from the Rossini Festival in Pesaro sets the action in the two-room apartment of the heroine Giulia, sung with 'wonderful suppleness' (*Openwelt*) by Olga Peretyatko. The production also features a spectacular grand aria for Blansac (Carlo Lepore) extraneous to the work. Leading a young and spirited cast of Rossini specialists is maestro Claudio Scimone, a key figure in the international Rossini Renaissance. Filmed in High Definition and true surround sound.

Sung in Italian with English, French, German and Italian subtitles
