GIOACHINO ROSSINI 1792-1868

# IL SIGNOR BRUSCHINO

Welcome to 'Rossiniland': where the 1800s meet the 2000s, and tourists are free to wander and gawp at the scintillating spectacle taking place around them.

Innovative theatre company Teatro Sotterraneo has transferred Rossini's light-hearted one-act operatic farce to a modern-day theme park, complete with popcorn stand and balloons. Mistaken identities and general confusion abound, all exaggerated to a delightful degree by Rossini's forward-thinking comedic effects. Helped by outlandish costumes and off-the-wall stage design – created by the Accademia di Belle Arti di Urbino – a polished cast serves to bring Rossini's engaging drama to life, making this 'clever production' (*New York Times*) not one to be missed. Filmed in High Definition and recorded in true Surround Sound.

Sung in Italian with English, French, German, Japanese and Korean subtitles
