THE TAMING OF THE SHREW

Shakespeare's *The Taming of the Shrew* tells the tale of the sharp-tongued Kate, who must marry before her younger sister, Bianca, is allowed to find a suitor. Undaunted by her waspish reputation, Petruchio attempts to woo the not-so-fair maiden, but is faced with a tirade of poisonous insults. Samantha Spiro stars as cantankerous Kate, capable of knocking a grown man down with her fist. With a stellar supporting cast, the production is a triumph, thanks to its 'riotous mixture of verbal dexterity and slapstick' (*The Daily Telegraph*). Filmed in High Definition and true Surround Sound.

Spoken in Shakespeare's English with English and German subtitles
