

'THE TALE OF STAR-CROSSED LOVERS
IS BROUGHT INTO DAZZLINGLY SHARP RELIEF'

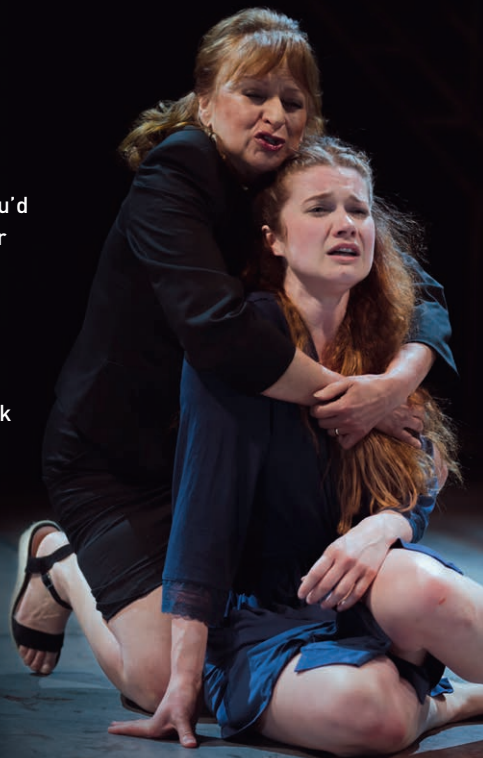

Evening Standard

ROMEO AND JULIET

"My only love sprung from my only hate!"

What if your first true love was someone you'd been told to hate? Ripped apart by the bitter divisions of their parents, two young people will risk everything to be together.

The most famous story of love at first sight explodes with intense passion and an irresistible desire for change. Will this spark a revolution, or will division continue to tear through the generations?
