HAMLET

'What a piece of work is a man...'

Encompassing political intrigue and sexual obsession, philosophical reflection and violent action, tragic depth and wild humour, *Hamlet* is a colossus in the story of the English language and the fullest expression of Shakespeare's genius.

Learning of his father's death, Prince Hamlet comes home to find his uncle married to his mother and installed on the Danish throne. At night, the ghost of the old king demands that Hamlet avenge his 'foul and most unnatural murder'.

Spoken in Shakespeare's English.
